Summary

Hi! I'm Dhrumil Chauhan, Enthusiastic Full Stack Python Developer with 1 Year of Professional Experience in Designing, Developing, and Deploying Full-Stack Web Applications. Strong understanding of Front-End Technologies, Back-End Systems, Database Management, and Operating Systems, with a Commitment to continuous Learning in the IT Industry.

Skills

Programming: HTML, CSS, JavaScript, Bootstrap, Tailwind, Python, Django, Data Science(Libraries), AI

Database: MYSQL, SQL, SQLITE3

Operating System: Windows, MacOS

Tools: Git, GitHub, VS Code, Render, AI Tools(ChatGPT, Claude, Gemini)

Experience

Python Full Stack Developer Intern

July 2025 – April 2026

WayToWeb Pvt Ltd. (On-Site)

- Worked on building Web Applications using Python, HTML, CSS, and JavaScript.
- Developed Backend features using frameworks like Django and handled Database operations.
- Collaborated with Team members to fix bugs, improve performance, and add new features.
- Learned and applied Full-Stack Development skills by working on real projects during the Internship.

Projects

E-Commerce Jewellery Shop | Python-Django

September 2025 – December 2025

- Built an Online Jewellery Shopping website using Python (Django), HTML, CSS, and Bootstrap.
- Added features like User Login, Product Listing, Shopping Cart, and Order Management.
- Created and managed Database for Products, Users, and Orders using Django ORM.
- Designed an Admin Panel and ensured secure Data Handling with a User-Friendly Interface.

Jarvis AI Agent | Python, AI, ML

January 2026 – April 2026

- Developed an AI Voice Assistant using Python.
- Used AI and Machine Learning to understand voice commands and respond.
- Implemented Speech Recognition and Text-to-Speech Features.
- Automated basic tasks like answering Queries and Performing actions.

Certifications

- **Introduced Python – Simplilearn (2025):** Completed a Python course from Simplilearn, gaining knowledge of programming concepts, data structures, and practical problem-solving skills.
- **Generative AI – Google Cloud (2025):** Completed a Generative AI course from Google Cloud, gaining knowledge of AI concepts, model basics, and practical applications.
- **Data Analyst – Simplilearn (2025):** Completed a Data Analyst course from Simplilearn, gaining knowledge of data analysis, visualization, and basic statistical techniques.

Education

BCA - Information Technology

Graduated: 2025

DR V.R Godhaniya Engineering - IT College (BKNMU), Porbandar

CGPA: 8.5 / 10
